

In the Community

Carer Support Wiltshire provide FREE and confidential information, advice and Support to all Carers in Wiltshire.

It does not matter if a person is caring for someone occasionally or for longer lengths of time, Carers may request the free pack. It contains lots of useful information plus contact details of other organisations to assist people in their caring role.

We offer:

- ◆ A Carers Information Pack
- ◆ A home visit if required
- ◆ Signposting to Agencies for help with benefit claims
- ◆ Someone to listen
- ◆ The chance to meet Carers at our Carers Groups
- ◆ Regular newsletters
- ◆ News of special days out and therapies available for carers
- ◆ Training to support you in your caring role
- ◆ Information about our befriending service and breaks for Carers
- ◆ Volunteering opportunities

For further information please visit the
Carer Support Wiltshire website
www.carersinwiltshire.co.uk
or telephone 08001814118

Don't Forget!

Carers are also offered a FREE Flu Jab, please make sure you have yours!

Please telephone the surgery during September to make an appointment.

Are you a Carer?

If you answer YES to this question please fill in the box below and hand this leaflet to Reception.

This allows us to inform your GP you are a Carer and gives you access to Annual Health Checks and flexible appointments.

If you have any queries about registering as a Carer please call Jane on 01225 866611.

Please tick the box and complete the details

I am a Carer and would like to be put onto The Health Centre's Carers register.

Carers Information

How much do you know?

Did you know?

One in Eight adults in the UK are Carers

There are over 47,000 unpaid Carers in Wiltshire

Who is a Carer?

A Carer is someone who looks after a relative, partner or a friend who cannot manage at home without help due to a disability or illness or because they are elderly or frail.

Around 3 in 5 people will be a Carer at some point in their lives.

Carers fall broadly into 3 groups:

1. Adult Carers

An adult caring for another adult such as a spouse, partner, friend or relative.

11% of Carers care for people with Dementia.

One in five Carers are aged 50 – 64 years.

2. Parent Carers

An adult who cares for an ill or disabled child.

14% of Carers (approx. 840,000) care for people with learning disabilities including autistic spectrum conditions

Over 1.3 million people provide over 50 hours of care per week.

3. Young Carers (under 25 years old)

A child or young person (aged from 5 to 25) whose life is affected by caring for at least one family member, over and above just 'helping out'. This could include caring for:

- ◆ Parent (s)
- ◆ Grandparents(s)
- ◆ Sibling (s)
- ◆ Close Relatives (s)

There are 2,700 Carers in Wiltshire who are under the age of 18.

For more information regarding Young Carers please see our Young Carers Leaflet.

Support for Carers at The Health Centre

The Health Centre runs an annual health check service for Patients who are Carers.

Appointments are designed to give Carers a full health check and an opportunity to discuss their health.

The appointment will last approximately 1 hour.

Representatives from Carer Support Wiltshire are also available to offer advice or answer any queries.

If you would like more information regarding a Carers Health Check please speak to Jane.

Jane Queree
Practice Carers'
Representative
01225 866611

Jane is able to provide help and information to Carers. She is also able to provide information about services available to you & has access to appointments that can be arranged at a time to suit you.
